**RE: REQUEST TO PROVIDE INFORMATION FOR THE IMPLEMENTING
PARTNERS' WEB PORTAL**

Kindly refer the above heading.

The Presidents Office, Regional Administration and Local Government (PORALG) have developed an Implementing Partner Web Portal where all partners in the Health Sector are required to fill in their Organization Data and information for easy coordination purposes. The Web Portal is intended to provide a mechanism for monitoring and evaluation of projects/programs implemented in Local Government Authorities.

The system will be launched during the inauguration of rehabilitation of Health Centres by the President of URT, His Excellency, Honorable, Dr. John Pombe Joseph Magufuli. The exact date will be communicated to you as soon as known. In order to accomplish this mission, herein below is a list of information required to be uploaded by individual Implementing Partner before 28 November, 2018.

- Implementing Partner Information (Name of the Organisation, Address, Email, Contacts, Location)

- Project Information (Project Name, Project short form, Sector)
- Funds in US D (Start Date, End date and Priority Area)
- Guideline Addressing (SDG, Ruling Party Manifesto or Five Year Strategic Plan)

I am therefore requesting your esteemed office to fill in the required information in case you have Projects or Programs directly implementing in the LGAs or to inform and ensure that your Local Implementing Partners have filled the required information before the deadline.

For more information regarding Implementing Partner Web Portal, Please contact Mr. Japhari Mbani Mobile number 0714076404 and Alli Rashid mobile number 0712016023. I have attached a reference document to facilitate the process of filling the information in the Web Portal.
